

Welcome to Egense Sailing Club

Welcome

We hope you have found a good spot and enjoy your time at Egense Harbor. You are welcome to use the sailing club's facilities, which are described below. There is also some information about activities and shopping opportunities in the Egense/Hals area. Enjoy your stay.

Facilities: We have great trust in our guests. The clubhouse is available for free use. We have 3 toilets/showers inside the house and 2 outside. The kitchen has (everything in the cupboards can be borrowed for use in the house) a stove/oven (note: induction), dishwasher, refrigerator, freezer, washing machine (DKK 25.00), dryer (DKK 10.00 per 30 minutes). There are beer/soft drinks/wine in the refrigerator and ice cream in the freezer for polite self-service and payment in the cash box or via MobilePay: 12095. On the first floor with a lovely balcony view to the east and west, there is a TV, games, and a book exchange service. Outdoors, there are several picnic tables and grills around the harbor for free use. In several places, there are herbs to pick. There is a large, lovely outdoor playground for children. Shelters and a bonfire area.

Locking: The clubhouse is not locked. However, only the eastern end is open in winter.

Internet: There is free wireless internet around the clubhouse. It is called: Egense, and there is no code. On the piers, it is called: D-link, and there is also no code.

Waste: Galley waste should be placed in the black containers in the enclosure above the east and west piers. Between the piers, there are bubble containers for bottles, batteries, and small iron. The environmental container is located next to the mast shed in the western part of the harbor. Everyone is asked to sort their waste - thank you.

Bicycles: The sailing club has bicycles that guests are very welcome to borrow. The key to the bicycle shed hangs in the house next to the harbor office.

Fuel: Diesel is sold from the OK tank in the harbor, which is operated manually. Contact phone: 98 31 00 57.

Payment: Payment is made via envelope payment, where envelopes can be found in the clubhouse and placed in the mailbox at the harbor office door. Prices are stated on the envelope. Payment can also be made in cash in Danish kroner, EURO, or via MobilePay: 12095. The following can be contacted in case of problems or questions:

1. The harbor master daily from 08:00-10:00 am (June 1 - September 30)
2. Otherwise, phone: 98 31 00 57 / email: egense-sejlkлуб@live.dk
